

**Spring 2016 and Fall 2016
Student Learning Outcomes Assessment Plan and Report**

College: College of Education

Department: Counseling

Degree Program: Graduate Certificate in Addiction Counseling

The Graduate Certificate in Addiction Counseling prepares students for counseling positions in various community based agencies such as mental health centers, private counseling agencies, substance abuse treatment facilities, centers for counseling the elderly, children, and families, business and industry. The assessments used for this program evaluate various skills that all counselors should possess regardless of specialization area.

Reflection on the Continuous Improvement of Student Learning

1. List the changes and improvements your program planned to implement as a result of last year's student learning outcomes assessment data.
2. Were all of the changes implemented? If not, please explain.
3. What impact did the changes have on student learning?

The SLOs for 2016 were modified to reflect the 2016 CACREP Standards. During 2016 no students were enrolled in this certificate program.

Student Learning Outcome 1

(CACREP Standard A.3.c)

SLO1: Addiction Counseling Students will be able to identify and use techniques and interventions related to substance abuse and other addictions (CACREP Standard A.3.c)

Changes to the Student Learning Outcomes Assessment Plan: If any changes were made to the assessment plan (which includes the Student Learning Outcome, Effectiveness Measure, Methodology and Performance Outcome) for this student learning outcome since your last report was submitted, briefly summarize the changes made and the rationale for the changes.

This is a new SLO, effective measures, methodology, and performance outcomes/expectations were revised also.

Effectiveness Measure: Identify the data collection instrument, e.g., exam, project, paper, etc. that will be used to gauge acquisition of this student learning outcome **and** explain how it assesses the desired knowledge, skill or ability.

1. Students will complete a Final Exam in CSLG 6162 Interventions in Addictions.
2. In Internship I & II, students are required to identify and utilize counseling interventions with addicted clients. This SLO will be measured by the supervisor's clinical assessment of the student.

Methodology: Describe when, where and how the assessment of this student learning outcome will be administered and evaluated. Describe the process the department will use to collect, analyze and disseminate the assessment data to program faculty and to decide the changes/improvements to make on the basis of the assessment data.

1. In CSLG 6162, when students complete their final exam. Total score on final exam.
2. In both Internship experiences, the CSLG 7430 and 7435 course, students will be assessed by their clinical supervisor utilizing the Counselor Competency Scale–Revised (CCS-R) (Items 1.I, 1.J, 1.K, 1.L).

Program faculty will collect this data via the data projects in CSLG 6162 and Internship I and Internship II. Assessment data will be loaded into TaskStream and distributed to program faculty at a faculty meeting designated to discuss student learning outcomes. During this meeting, program faculty will examine the data and decide on changes or improvements to make on the basis of the assessment data.

Performance Outcome: Identify the percentage of students assessed that should be able to demonstrate proficiency in this student learning outcome and the level of proficiency expected. .

1. The program expects at least 80% of students to score minimum of 80% on the final exam.
2. The program expects at least 80% of students to score a minimum of 3 on 5-point scale on the supervisor’s evaluation [Counselor Competency Scale–Revised (CCS-R) (Items 1.I, 1.J, 1.K, 1.L)] in Internship I & Internship II.
